SUMMARY

I am a seasoned hands-on certified Salesforce architect, developer and administrator, I have worked solely with advanced Salesforce APEX, VisualForce, force.com, health cloud marketing cloud and java since 2005. I'm the Coauthor and contributor to the official Salesforce Web Application Kit for Nonprofits and I have been fortunate to have presented at several Salesforce conferences. I am one of the worldwide 122 certified salesforce architects, I am an US citizen and seek full-time and part-time employment or contract.
