

Hello my name is

SAJAD MAHYAEI

JavaScript Full-Stack Developer

Bio

Hello, I dropped out of my university just 3 months before finishing my master's thesis to pursue my passion for business and marketing. After 5 years and working for several companies in tech and marketing, I developed a passion to learn web development to give life to my own ideas.

So I enrolled in the Odin Project BootCamp which helped me to get to where I am right now.
