Education

07/2015 – 05/2019 Bhopal, India	**Electronics & Communication Engineering,** *Maulana Azad National Institute of Technology*
07/2014 – 05/2015	**Higher Secondary School,** *The Oxford Higher Secondary School*
07/2012 – 06/2013	**High School,** *The Oxford Higher Secondary School*

Professional Experience

07/2021 – present Indore, India	**Web Developer,** *Qoulomb* Qoulomb is a marketing and tech service company serving clients in 10+ countries to create their digital and social presence. My role as a developer is to develop structures and frameworks for the design and development process and align with other teams to manage the assets requirements. I also develop sites, manage integrations, analytics, and data management.
07/2019 – 06/2021 Indore, India	**Assistant System Engineer,** *Tata Consultancy Services* Here, I worked in BFSI Domain with Phoneix Life. I was responsible for maintaining Content Management System which is a Headless solution for their agent's web application. Later I was also assigned to an API management role to configure REST API's at Layer 7.

Projects

Netflix Clone, *A Netflix clone application using open-source API and React*

To Do App, *A simple To Do web app using React*

Navbar Curve Effects, *An interactive navigation bar that slides on click other tabs using HTML and CSS*

Text Conversion Utilities, *A text conversion tool using JavaScript and React*

Awards

On Spot Award, *Tata Consultancy Services*
Given for my excellent performance throughout the month
