ABOUT ME

Experience of 4+ years in the IT Industry with domain exposure in Banking, Financial service and exposure in Software Gaming products (Table games And Slot Games).

In 4+ years of my career, I have excelled as a Test Analyst, gaining a well-rounded understanding of the business from all angles. Expertise at driving the adoption and enforcement of QA roles: Writing and executing test cases and test scenarios, reporting test results, development automation, reporting defects in Jira. Capable of bringing enthusiasm and awareness to projects, keeping teams focused and delivering success.
