Having 6+ months experience on Salesforce platform, love to work lightning development and always ready to explore new things.

EXPERIENCE

Kavya Interactive, Location — Mohali

August 2020 - PRESENT

Started working as a Salesforce trainee, now working as lightning developer. Responsibilities include working on tasks assigned which include salesforce admin things and lightning components mostly.

EDUCATION

Inderprastha Engineering College, Ghaziabad — B.tech

August 2016 - June 2020

Completed successfully with 71.06 % aggregate in IT stream.

Udit Narain Inter College, Padrauna — 10+2

July 2013 - June 2015

Completed successfully with 78.2 % .

PROJECTS

Related Cases Widget — December 2020

On the case record we need to show all related cases of Contact associated with current case. Created lightning component to achieve that.

Manual sharing button on Case — Jan 2021

Requirement was to show a button to provide apex managed sharing with any user or group. Achieved using lightning component.
