SUMMARY

I have been working as a salesforce developer in Schneider Electric and also been supporting Schneider partners by resolving critical issues and aiding assistance to business requests for over two years. I am currently working in Digital Customer Management (DCM) line of Schneider Digital.

PROJECTS

Partner Relationship Management (PRM)   July 2018 – March 2020

- PRM is a track of Schneider Electric that mainly focuses on B2B partners business needs.
- I have provided assistance in both support and development

DCM Deliveries   March 2020 – Present

- Delivered some critical Rest APIs and LWCs for Schneider Seamless Transformation Project and thus contributing to 3 Major Releases.
- Currently, working on user stories, bug fixes and enhancements

DCM Operations   March 2020 – Present

- Lead a team of three and ensured smooth data migration from Fielo Program Management to another Cloud based channel Management called ZINFI
- Currently, supporting to debug issues and resolve incidents.
