WORK EXPERIENCE

Data Scientist
Intelligaia Technologies

04/2018 - Present   *Chandigarh*

Intelligaia is a design-consulting firm that uses human-centred design to develop innovative user experiences.

Achievements/Tasks

- Completed 6 enterprise business intelligence projects for companies like Cisco Systems and Avit Group.
- Consulting HPE as a data scientist to create HPE Ezmeral's MLOps tool.
- Built the first product for the organization from scratch and handled a team of 14 font-end and back-end engineers.

Contact: Rishikesh Chandra - CTO

Analyst
Dun & Bradstreet

05/2016 - 03/2018   *Bangalore*

Achievements/Tasks

- Manage premium publisher portfolios on both the platforms, Contextual Monetization and S2S Header.
- Monitoring campaigns, analyzing data to optimize performance and regularly reporting metrics to clients.
- Maintain top Com-score publishers and strategize revenue increment mechanisms on these accounts.

EDUCATION

Bachelors of Science in Statistics & Data Science
Indian Institute of Technology Madras

03/2020 - Present

Courses

- Computer Architectures
- Design Thinking
- Speech Technology
- Deep Learning

Bachelors of Mechanical Engineering
Kurukshetra University

04/2011 - 05/2015

Projects

- Construction and experimentation on Pelton turbine.
- Created an autonomous vehicle with complete mechanical testing.

SKILLS

Business Intelligence Data Analytics

Data Visualisation Product Management

AutoML Machine Learning MLOps

Databases AWS & GCP Agile

PERSONAL PROJECTS

Hubbl an Ad-hoc data-analysis tool (01/2021 - 04/2021)

- Hubbl is a ad-hoc analysis tool which reduces the 50-60% of work of a data scientist by telling you the most suitable model and algorithm to work on
- User need to upload a sample dataset and the system will show the list of models along with AUC and F1 score to select the best model

Meeting Summariser using GPT-3 (04/2020 - Present)

- This helps users to summarise the stand-up meetings using state of the art GPT-3 model

CERTIFICATIONS

Machine Learning Foundations from University of Washington (03/2020 - 06/2020)

Tableau Desktop Associate (04/2019 - Present)

Analyzing and Visualizing Data from D&B (11/2017 - 12/2018)

Data Analysis Certification from D&B (11/2017 - 12/2018)
