[Risusingh35@gmail.com](mailto:Risusingh35@gmail.com)

**FullStack Developer:** Highly skilled and motivated Full Stack Developer with 3 years of experience in designing and developing web applications. Seeking a challenging position to utilize my technical expertise, problem-solving abilities, and passion for creating innovative solutions.

## Experience

### Full Stack Developer

08/2022 to Present

#### MAHARSHI SYSTEMS PRIVATE LTD

(Trivedi Advanced Technologies LLC), Ahmedabad, Gujarat

- Developed and maintained responsive and user-friendly frontend components using React, Angular, or Vue.js, resulting in improved user engagement and retention.
- Implemented server-side logic using Node.js and Express.js to handle HTTP requests and optimize application performance.
- Designed and managed NoSQL/MongoDB databases, improving data retrieval and storage efficiency for complex applications.
- Collaborated with the team to design and develop RESTful APIs, enabling seamless communication between the frontend and backend systems.
- Utilized version control (Git) to manage codebase, streamline collaboration, and ensure proper code reviews.
- Conducted code refactoring and performance optimization to enhance application speed and maintainability.
- Collaborated with UX/UI designers to create visually appealing and intuitive interfaces, resulting in a positive user experience.
- Kept abreast of the latest industry trends and emerging technologies to suggest improvements and implement best practices in the development process.
