## **Authergen**

July 2012 - Aug 2014

Project Manager

Product development

Business analyst

Requirement Elicitation

Use cases, Use stories, Test cases, Requirement gathering, UML, BPMN

SQL Data mining.

SAS, IBM cognos, business objects.

Data mining. Tableau

OLAP Cubes, Business insights

Established client needs, functional requirements, budgets, timelines, scope of work, and written proposals. Supervised full life cycle of projects from inception to completion.

\* Conducted user training and testing of custom software.

\* Supported budgeting, client billing, and team performance reviews.

Responsible for requirements analysis, Gap Analysis, Business Process, Modeling, Functional Testing - Test Cases, SRS, Project Plan etc. Elicit requirements using interviews, document analysis, requirements workshops, surveys, business process descriptions, use cases, scenarios, business analysis, task and workflow analysis. Use cases using standard modeling formats (such as UML)

UML, BPMN, Rational Unified Process and Agile Methodology (UML tool), MS Visio, Pencil (Wireframing tool),

Azure, Balsamiq mockups

## **DS solutions**

2009 - 2012

- Custom Software Development
- Database Design (RDBMS)
- Systems Engineering
- System Migrations/Integrations
- Enterprisewide Implementations
- Defined processes and tools best suited to each project. Moved between agile and waterfall approaches depending on project specifics and client goals, creating detailed project road maps, plans, schedules and work breakdown structures.

Managed all phases of the software development lifecycle (SDLC) for dozens of custom solutions.

System Integrations/Migrations: Project-managed large-scale initiatives involving the transition of programs to new platforms and the merger of disparate systems from acquired client companies

IT Project Lifecycle:

- Requirements Analysis
- ROI Analysis
- Costing & Budgeting
- Project Scheduling
- Testing/QA/Rollout/Support

Value-Added Leadership:

- Cross-Functional Supervision
- Team Building & Mentoring
- Client Relations & Presentations
- Business & IT Planning
- Vendor Management
