- Creating Visual Web Parts for SharePoint, master & content pages, page layouts, reusable **workflows, application pages, event receivers, job scheduler.**
- Worked on **SPFX**. Deployment SPFX webpart on SharePoint Online **O365, Powershell, PowerApps, Power Automate, Graph Api, Adaptive Cards in Power Automate.**
- **Worked on migration project using Sharegate tool.**
- Knowledge of **Azure Service, DevOps, ChatGPT in Power Automate**.

MICROSOFT CERTIFICATIONS

Microsoft Certified Technology Specialist:
- Microsoft Power BI Data Analyst **(PL-300)**
- Microsoft Power Platform Functional Consultant **(PL-200)**
- Microsoft Power Platform Developer **(PL-400)**
- Microsoft Power Platform App Maker **(PL-100)**
- Microsoft Azure Fundamentals **(AZ-900)**
- Developing Solutions for Microsoft Azure **(AZ-204)**
- Designing and Implementing Microsoft DevOps Solutions **(AZ-400)**
- Microsoft Power Platform + Dynamics 365 Core **(MB-200)**
- Microsoft Dynamics 365 Sales **(MB-210)**
- Programming in HTML5 with JavaScript and CSS3 **(70-480)**
- Developing ASP.NET MVC Web Applications **(70-486)**
- Earned **MCSA** (Microsoft Certified Solutions Associate) in 2018.

EDUCATION

- Certify in Share Point Developer Training in 2014.
- B.E. in **IT** from Pune University in 2014

IT SKILLS

- **Programming Languages:**　　　ASP .NET, C#, JavaScript, Jquery, Angular
- **Database:**　　　Microsoft SQL Server 2008/2012
- **Operating System:**　　　Windows XP/Vista/Win7/Win8 and Windows Server 2008/2012
- **SharePoint Object Models:**　　　CSOM, SSOM, REST, JSOM
- **XML:**　　　CAML Query
- **Application Tools:**　　　Visual Studio 2012/2013, Power Bi
- **Microsoft Technologies:**　　　SharePoint Server 2013 & 2010, **O365** (SharePoint Online) **PowerApps, Power Automate, MS Graph**
- **3rd Party Tools:**　　　**Nintex Workflows and Forms**

Major Projects

1. Bid Cost Tracker
- **Client:** Atos
- **Technologies used:** SharePoint online, PowerApps, DOMO
- **Project details:**
  - Created and app where manager can manage the billing information of the resources.

2. EDDC

- **Client:** Atos
- **Technologies used:** SharePoint online, PowerApps, Power Automate, DOMO

3. UPS

- **Client:** UPS (United Parcel Service)
- **Technologies used:** SharePoint online, SharePoint Onprem, Sharegate Tool, Powershell
- **Project details:**
  - Migration of SharePoint Onprem sites to Sharepoint online using Sharegate tool.
  - Used Sharegate tool.
  - Automated some manual process using powershell.

4. Tebs

- **Client:** Total eBiz
- **Technologies used:** SharePoint online, PowerApps, Power Automate, SPFX react, Azure
- **Project details:**
  - Migration of SharePoint workflow in Power Automate.
  - New Custom forms using SPFX react
  - Complex multilevel Document Approval workflow (**Parallel, Sequential**) in power automate

5. UNWOMEN

- **Client:** UN **(United Nations)**
- **Technologies used:** SharePoint online, PowerApps, Power Automate, SPFX
- **Project details:**
  SharePoint Migration Classic to Modern UI

6. Pregis

- **Client:** Pregis
- **Technologies used:** SharePoint Server 2013, JSOM and SharePoint Designer Workflow
- **Project details:**
  - Support and Enhancement
  - Handling User request.

7. Quiz Portal

- **Client : UTCL**
- **Technologies used:** SharePoint Server 2013, Angular.js
- **Project details**:
  - Quiz Portal has been designed and developed using SharePoint 2013 onprem, Angular.js, JSOM.

8. Tax Corporate Portal

- **Client:** SingTel
- **Technologies used:** SharePoint Server 2013, JSOM, **Nintex Form, Nintex Workflow**
- **Project details**:
  - SingTel been designed and developed using SharePoint 2013 onprem, **Nintex Form and Nintex Workflow**, JSOM.

- Creating Nintex Form and Multilevel Nintex approval Workflow.

Responsibilities
- Creating Form in **Nintex** with validation using **Nintex** rules and jquery.
- Creating Nintex multilevel approval workflow.

9. OHCHR
- **Client:** OHCHR (United Nations)
- **Technologies used:** SharePoint Server 2013, SSOM.
- **Project details**:
  - This project has been designed and developed using SharePoint 2013 onprem.
  - Changing the page layout and look and feel of two subsides around (6000) pages.

Responsibilities
- Change the page layout and apply CSS runtime to the HTML element using **Console application**.

10. File Approval System (Read the Excel file value)
- **Client:** UN (United Nations)
- **Technologies used:** SharePoint Online O365, **Jquery**, SharePoint Designer 2013.
- **Project details**:
  - This project has been designed and developed using SharePoint 2013 online.
  - User can upload the excel file in document library from upload page base on the country.
  - On other hand when other user get all files based on the country in grid view, he can Approve or reject the file.
  - If he approve then all values of excel files will be save in the list (Custom List).

Responsibilities:
- Requirement gathering from the client.
- Analyzing the requirement and coming up the proper estimation for the deliverable
- Developing the OOB web parts and custom pages or solutions.
- Development and Production Support and Maintenance.

11. Incident Management System
- **Client:** Trigyn Technologies
- **Technologies used:** SharePoint 2013, Out of box web parts, **JavaScript,** SharePoint Designer 2013 workflows, Client Side Object Model.
- **Project details**:
  - Incident Management System has been designed and developed using SharePoint online 2013.
  - Incident management system is use to raise the Incident within the organisation. Employee can track the status of the incident which has been raised by him/her.
  - Along with this this utility break the user permission based on the Incident Status.

Responsibilities:
- Requirement gathering from the client.
- Analysis of the client requirement.

- Developing the OOB web parts and custom pages or solutions.
- Providing user support and maintenance.
- Documenting process and updating same.

PERSONAL DETAILS

Date of Birth: 17 July 1990
Languages Known: English, Hindi & Marathi
Mailing Address: Sector-3, F-247, Airoli, Navi Mumbai- 400708

I do hereby confirm that the particulars given above are true to the best of my of my knowledge.

Date: **(Abhijeet Pramod Chavan)**
