POOJA SHETTY
Software Engineer

Contact No.: +91-8792155183

E-Mail : pooja.shetty290318@gmail.com

PROFILE SUMMARY
• Over 6.3 years of Experience in WebApp Development, Designing User Interface (UI) applications with experience in the software development life cycle
• Hands on experience in UI development process such as Analysis, Development and Testing and Associated methodologies
• Good Experience in Angular, NodeJS, IONIC
• Hands-on experience with Object Oriented JavaScript. Good understanding of OOPS Concepts
• Good Experience in Responsive Web Design and Angular Material
• Good Experience in integrating JWT Tokens and Role Based Access Control in Frontend
• Good Knowledge in Hybrid App Development frameworks like IONIC
• Good Experience with API Creation and Using REST Services
• Good experience in GraphQL
• Worked on nodeJs, MongoDB and angular projects
• Basic Knowledge of Postgres

TECHNICAL SKILLS
Web Based Languages
• HTML5
• CSS3
• JavaScript
• TypeScript

Development Frameworks
• Angular - Versions [2, 4, 5, 6, 7, 8]
• IONIC – Versions [3, 4]
• NodeJS - Versions [8,10,12]
• MongoDB

Development Tools

• Development Tools	:	VS Code, Android Studio
• Server Tools	:	Docker, pgAdmin
• Database Servers	:	PostgreSQL

EDUCATION
MCA   80%

Shree Devi Institute of Technology, Mangalore   2014-2017

CAREER HISTORY

Infrrd Technologies, Bangalore   02nd March 2020 to Present Software Engineer
