SAYED MUHAMMAD RAFI

Email: muhammadrafisayed@gmail.com   Phone Number: +91-9676321032

Objective:

Want to work with an organization that can give me ample opportunities to grow so that I will be able to help in growth of that organization and will be able to enhance my skills and my capabilities.

Professional Summary:

- Having around 2.1 years of design/development experience in various Java/J2EE technologies and framework.
- Experience with **Spring Boot** with **Restful Web Services.**
- Experience of Core Concepts like OOP'S Concepts, Collections, Exception Handling and Multithreading .
- Experience in deploying web applications using application servers like Tomcat and JBoss.
- Experience in configuring and deploying application in **Tomcat** and **JBoss** Servers.
- Experience in developing enterprise applications using IDE like **Eclipse IDE.**
- Experience in using the tools like **SVN, Maven, JUnit.**
- Experience with **Agile Methodology and Scrum.**
- Experienced in working with clients, developers, and testers of complex projects during the entire software development life cycle.
- Strong Knowledge in **Financial Domain and Core Banking System.**

Professional Experience:

Software Development Engineer at VSoft Technologies Private Limited having around 2 years of experience in the areas of configuration, development, implementation, maintenance for different enterprise and web applications using J2SE, J2EE, JPA, spring and Hibernate.

Education Profile:

- Graduated in B.tech from Narasaraopeta Engineering College in the year 2013-2017 with 73.3% of stream of Computer Science And Engineering.
- Completed my intermediate (10+2) from Modern Junior College in the year 2011-2013 with 81.6%.
- Completed SSC from ZP High School, Velpur in the year 2011 with 89%.

Technical Skills:

Operating System	Linux, Windows 7,8,10
Languages	Java 8.0
Database Software	PostgreSQL9.0 , Oracle 11g
UI Technologies	HTML ,CSS , JavaScript
JSE Technologies	JDBC
JEE Technologies	J2EE
Servers	Tomcat 9, WildFly, Weblogic (Awareness)
Frameworks	Spring 5.x (Core, JDBC, ORM, MVC, Transaction), Spring Boot
ORM Tool	Hibernate
Distributed Technology	Restful Services
IDE	Eclipse , NetBeans(Awareness)
Tools	GIT, Maven, JUNIT, Mockito, LOG4J, JIRA

Project Profile:

Project Details:

Project #1

Project Name: Watch (Reports)

Team Size	8
Technologies	JAVA 8 , Restful Services, Spring Boot, Spring Data JPA,Angular 6
Database	PostgreSQL 9
Application Server	Tomcat 9
Domain	Banking
Clients	Orissa State Coop. Bank, Arihanth Coop. Bank

Description:

Watch Application mainly used for Reports. Different types of Reports are generated and viewed by the Clients in this Project, about more than 200 Reports are developed. All the Reports are of different Categories like RBI Reports, NABARD Reports,MIS Reports And ALM Reports .All these reports are generated in this Application. The Main Purpose of This Application is only to show/generate the Reports, that's why the Project name is Watch.

Project #2

Project Name: Wings (Core Banking)

Team Size	15
Technologies	JAVA 8, Spring (Core, ORM, MVC), JSP, Hibernate
Database	PostgreSQL 9
Application Server	Tomcat 9
Domain	Banking
Clients	Orissa State Coop. Bank, Delhi State Coop. Bank, Arihanth Coop. Bank, Mansa Coop. Bank, Andhra Bank Employees Coop. Bank etc.

Description:

Wings is core banking product, which is used by many cooperative banks in India because of its cost-effective and simplified flow developed as per the guide lines of RBI. This is user friendly, flexible and self-supporting application, that permits easy performance, improves overall efficiency. This is platform independent and available for both Windows and Linux. Modules like Admin, Cashier, Loans, Deposits, Reports, ATM, Mobile Banking, Utility Bill Collection and it supports all type of account opening by defining their own product.

Roles and Responsibilities:

As a team member:

- Involved in developing & coding of different modules.
- Involved in Service and DAO layer implementation.
- Improvements and Bug fixing for the existing product.
- Used PostgreSQL 9 data base & Hibernate to access the data.
- Addressing to issues at production and providing hot fixes.
- Customizing the product as per client requirement.
- Developed RESTFUL web services to communicate using UI layer.
- Implemented Spring Transaction Management.
- Performed code reviews to ensure code is developed according to secure coding Guidelines.

Achievements:

- I have got an opportunity to work for onsite at Orissa State Co-operative Banks (OSCB), Bhubaneswar, and Orissa.
- I have designed and developed various Jasper Reports like RBI, NABARD, and MIS Reports while working on Watch Application.

Personal Details:

- **Father Name**   :   SD Badesa.
- **Date of Birth**   :   10-05-1996.
- **Language**   :   English, Hindi & Telugu.
- **Address**   :   8-989 High School Road, Veluru, Chilakaluripet (MD), Guntur (Dist.), A.P.
