## OBJECTIVE

---

Seeking challenging position in the sphere of Web Application **Testing** with a growth-oriented organization.

---

## BRIEF OVERVIEW

---

- 6+ years of total experience in web application **testing** out of which 2 years in **automation testing**.
- Currently associated with Hogarth Worldwide, Gurgaon as Sr. QA Associate.
- Worked for some of the very prominent clients like Apple and Nestle.
- B.E. (Electronics & Instrumentation) from Dr. B. R. Ambedkar University, Agra.
- ISTQB Foundation Level and Agile Ext certified.
- Having U.S. B-1/B-2 and L1A Visas.
- An effective communicator with excellent relationship management skills and strong analytical, leadership, decision-making, problem solving abilities.

---

## AREA OF EXPERTISE

---

- Expertise in **automation** using **Selenium** WebDriver with **Java** programming language.
- Hands on experience and good knowledge of various **testing** frameworks like Page Object Model, Keyword Driven framework, Data Driven framework and Hybrid framework.
- Good experience working with build management tool like Maven.
- Exposure working with continuous integration tool like Jenkins.
- Experience working with BDD approach using Cucumber and TDD approach using TestNG.
- Good exposure with GIT version control.
- Hands on experience working with project and defect management tool like **JIRA**.
- Extensive experience in **manual testing**.
- Good test cases writing with maximum coverage and execution ability.
- Proven bug reporting ability.
- Expertise in working with REST API web services **testing** using Postman.
- Good exposure working with all the levels of **testing** like Functional, Integration, System, Regression, Re-testing and User Acceptance.
- Hands on experience on **automation**, performance and vulnerability **testing**.
- Good experience working with e-commerce websites.
- Extensive experience at setting up test environments.
- Solid understanding of cross-browser and device compatibility **testing**.

- Good exposure to root cause analysis.
- Familiarity with **testing** on MacOS, iOS, Windows and Android.
- Worked on various projects based on Agile Methodology.
- Sound knowledge of different phases of SDLC & STLC models and effective QA implementation in all phases.
- Talent for proactively identifying areas of improvement in processes & resolving problems.
- Extensive experience at project requirement analysis.
- Good at transforming business needs into functional/technical requirements.
- Good at test estimation, planning and strategy.
- Training, mentoring and managing team members.
- Good exposure to onsite and offsite client interactions.
- Attention to detail and ability to work under tight deadlines.
- Ability to pick up new responsibilities quickly.

## TECHNICAL SKILLS

Type of skill	Current	Past
Application <b>Testing</b> Tools	<b>Selenium</b> WebDriver	LinkChecker, Xenu, TotalValidator, MySQL Workbench, W3C Markup & CSS Validator
API <b>Testing</b>	Postman	
Version Control	GitHub	
Build Management	Maven	
CI/CD	Jenkins	
Other Tools	TestNG and Cucumber	
Bug Reporting & Tracking Tools	<b>JIRA</b>	Mantis
Test Management Tools		TestLink
Project Management Tools	<b>JIRA</b>	Basecamp
Performance <b>Testing</b> Tools		JMeter, New Relic's APM, GTMetrix
Vulnerability/Security <b>Testing</b> Tools		Netsparker
Integrated Development Environment	IntelliJ IDEA	Eclipse
Programming Languages	<b>Java</b>	SQL (Basic)
Scripting Language		
Database		MySQL
Process	Agile	
Cloud Services		
Operating Systems	Microsoft Windows 10 and Apple MacOS	
Other Softwares	Microsoft Office 365	

---

## ORGANISATIONAL EXPERIENCE

---

Since Jul'15 | Hogarth Worldwide, Gurgaon, Haryana, India | Sr. QA Associate

Client	Project	Description
Apple Inc.	Marketing Communications – SEA locale	Apple Inc.'s official website for the Asian markets.
Nestle	Nestle Purina Cat Chow	Purina Cat Chow by Nestle is a natural cat food website with frontend management through CMS.
Santander	Santander SUE Portal	It's a CMS driven social networking hub for Santander Universities and its 69 partner universities. This platform is a central point of information and facilitates communication between students/graduates, SMEs and Santander Universities.
