### PERSONAL DATA

Nationality Indian  
Date of Birth 08 August 1996

### SKILLS

### PROFILE

A highly competent data analyst with 3 years of experience developing a wide range of innovative applications. Ability to use (data) statistics and machine learning for finding complex data patterns that drive meaningful impact on the business. I am looking for the opportunity to build a challenging career and apply my skills in an innovative and simplified process. I enjoy working in a team and communicating data-driven results and arriving at corresponding decisions.

### EXPERIENCE

#### DATA ANALYST
