- From the development perspective, this project deals with building different SOAP and REST services and processes and integrating those services with Front End application as well as with other OSB and SOA services to provide an end to end well integrated application to client.
- Being a senior developer, planned and conducted several sessions for the new team members to let them understand the project end to end architecture along with the technical helps for the completion of their corresponding user stories.

HIGHLIGHTS
- Supported to Client as a Scrum master for Onshore and Offshore
- Received acknowledgement and accolades directly from Client during the Client Visit in India for reducing the BPEL ticket count to Zero within short time span.
- Provided support from on shore client office to deliver the critical deliverables on time.
- Provided support to new Joiners& team for giving KT and interviews.
- Worked on Management Metric activity (C dart) to Project on going deliveries on weekly basis

TECHNICAL SKILLS

- **Technology**: SOA, BPEL, OSB, MFT, OIC and Informatica cloud (IICS).
- **Language** : XML, XSLT, XPATH, XQUERY, WSDL, XSD, Web service, Json.
- **Application Server**: Web Logic, Tomcat
- **Operating Systems**: Windows-XP, 7,8,10
- **Monitoring Tools**:   Splunk, AppDynamics and Dynatrace
- **Tools**: Eclipse, Oracle JDeveloper 11g and 12c, Talend, HPQualityCentre, Atlassian Tools (Jira, Git, SVN, Stash, Bamboo, Maven, Confluence), SOAP-UI/Postman, ALM, Ninjago, Nexus, WinSCP, Putty.
- **Database:** Oracle

EDUCATION

- **Master of Computer Applications (MCA)** from Aditya Institute of Technology, Tekkali, affiliated to JNTU Kakinada during 2010 – 2013
- **Bachelor of Sciences (MPCs)**, D.R.N Degree College, Andhra University during 2007 to 2010

ACHIEVEMENTS

- Received acknowledgement and accolades directly from Client during the Client Visit in India for reducing the OSB & BPEL ticket count to Zero within short time span.
- Received Accenture Celebrates Excellence awards for gold standard in 2016.
- Received Certification of Appreciation award for best performance in 2017, 2018 & 2020.
- Received Rising STAR award in Oracle for best performance in 2021.

CERTIFICATIONS

- Completed **Oracle SOA Suite 12c**
- Completed **Oracle Cloud Platform Application (ICS)**
- Completed **ITIL 2011 Foundation**
- Completed **Agile Certified Professional (ICP)**
- Completed **SAFe 6 Scrum Master Certificate**
- Completed **Oracle Cloud Platform Application Integration 2022 & 2023 Certified Professional**
- Completed **Oracle Cloud Infrastructure Foundations 2022 & 2023 Certified Associate**
- Completed **Oracle Cloud Infrastructure 2024 Generative AI Certified Professional**
- Completed **Oracle Cloud Infrastructure 2020 Certified Architect Associate**
- Completed **Java Programming: Arrays, Lists, and Structured Data**
- Completed **AWS Fundamentals: Building Serverless Applications**

Greenfield Training in basic skills like C, C++, Unix/Linus, Core java, OIC, Mule Soft, DBMS and DevOps and Agile methodology from **Accenture, Oracle, Capgemini and Cognizant.**
