PALAK GOEL

PERSONAL INFO

Phone
9027558771

Email
goelpalak36@gmail.com

Address
Jadugar Road, Roorkee
-247667

SKILLS

Programming Languages C, Java, Python, HTML, CSS, Data Visualization, Machine Learning

Databases
Mysql

Tools
MS Word, MS Excel, Netbeans, pycharm

Operating System
Windows

EDUCATION

Amity School Of Engineering And Technology (Amity University)
B.Tech/B.E. (Computer Science) | 2019-2023

SOCIAL PROFILES

Facebook

LinkedIn www.linkedin.com/in/palak01

HOBBIES

Playing Badminton, Reading, Music

SUMMARY

Goal oriented, focused computer science undergraduate with an eye for detail. Complete knowledge of python programming language seeking knowledge and experience..

PROJECTS

Python Satellite Data Visualization

(Jan'21-Feb'21)

Developed an algorithm to determine and predict the trajectory of the satellite using the provided TLE values of the orbit.

AI Assistant using Python

(Dec'20 – Jan'21)

Developed an AI assistant to provide voice response to the given voice-user input.

Heart Disease Prediction Using Machine learning
(May'21-July'21)

I predicted the heart disease of a human being with the use of machine learning.

EXPERIENCE

Campus Ambassador
MyCaptain
(Jan'21-Feb'21),
Virtual

- Adapt my delivering and instructional materials to meet people varying needs, abilities, and interests to help achieve my educational goal.
- To organize events on the campus promoting the company.

CERTIFICATES

Programming for Everybody(PYTHON)
(Feb'21)
