- **Projects:**

- **Ibex Investors (Mar 2022 - Jan 2023)**

Ibex investors is an investment management platform for the users in the SPV (Single Purpose Vehicle), Venture Capital and Hedge Funds. Ibex investors handle the Users investment into the specific fund strategies and their respective sub funds. Ibex investors also organize events for their customers.

We're reinventing venture capital. Breaking out of the ordinary is how we achieve the extraordinary. We pride ourselves on finding the hidden gems often overlooked by others.

Role: Worked as a Sr. QA Test engineer.

Technologies: Web application testing on Cypress with JavaScript and Manual Functional Testing,

Native and Flutter Mobile applications testing & API Testing, Git, TeamWork, Figma.

○ **MVD Express (Dec 2021 - Jan 2023)**

MVD Express was founded by Janice Lucero, a long-time Albuquerque resident with a passion for education and giving back to the community. In 1994, the state of New Mexico began requiring that anyone applying for a first-time driver's license be required to take a course on the dangers of drinking and driving. An educator at the time, Lucero made a bid on the project and won the bid to be the sole provider of teaching the state's required course. Shortly thereafter, Lucero developed and delivered a program called "None For the Road."

Role: Worked as a Sr. QA Test engineer.

Technologies: Web application testing on Cypress with JavaScript and Manual Functional Testing Native and Flutter Mobile applications testing & API Testing, Git, TeamWork, Figma.

○ **MyColorado (Mar 2020 – Mar2023)**

Award-winning myColorado™ App Offers Digital ID & Vaccine Record

Downloaded by more than one million Coloradans, myColorado™ provides secure and convenient access to state services anytime, anywhere! The app's contactless Colorado Digital ID™ is an electronic version of your driver license or state-issued identification (ID) card to show proof of ID, age and address within the state.

Convenience in the palm of your hand

- Show proof of COVID-19 vaccination with myVaccine Record.
- Create your Colorado Digital ID™ and use it during traffic stops with Colorado law enforcement agencies.
- Access your Colorado Parks and Wildlife Digital Licenses.
- Look up Colorado state sales tax by location.
- Store your vehicle registrations, insurance cards and other important documents in the digital wallet.
- Renew your driver license or state-issued ID, and connect to more than 20 additional online DMV services.
- View the latest COVID-19 updates and helpful resources.
- Search State of Colorado job listings.
- Apply for medical, food, cash and early childhood assistance on Colorado PEAK.

Role: Worked as a Sr. QA Test engineer.

Technologies: Web application testing on Selenium with Java and Manual Functional Testing Native and Flutter Mobile applications testing & API Testing, Git, TeamWork, Invision & Figma.

○ **Safeway DriveCenter (Mar 2021 – Jan 2023)**

SafeWay Driving is revolutionizing the driver training industry and you have the opportunity to drive your dreams with a proven leader. Leveraging 44 years of successful operation and the experience from training over 275,000 in-car drivers, SafeWay Driving has recently modernized the driver training business model and is looking for qualified Strategic-Partners to grow across Texas.

Role: Worked as a Sr. QA Test engineer.

Technologies: Web application testing on Selenium with Java and Manual

Functional Testing, Native and Flutter Mobile applications testing & API Testing,

Git, TeamWork, Figma.

○ **MindMaster (Sep 2020 – Mar 2021)**

Mind Master's manifestation affirmations are designed to focus your thoughts on living your best life; to encourage you to aim high and expect your dreams to come true; to remind you that life should be exciting; that you're deserving of loving relationships, you are more than enough, and worthy of living a fun, blessed, and deeply satisfying life.
