PERSONAL PROJECTS

Real Estate website
- link=https://prathvi-namdev.github.io/realestate.github.io/

Smart DustBin (08/2019 - 10/2019)
- A simple but useful **project** called **Smart Dustbin** using Arduino is designed and developed here. Using this **project** , the lid of the **dustbin** stays closed, so that waste is not exposed (to avoid flies and mosquitos) and when you want dispose any waste, it will automatically open the lid.

EDUCATION
