Kirankumar Thipranthe

Salesforce B2C Commerce Certified Developer (Frontend)
+91 9916383222
kiranbdr222@gmail.com

SUMMARY:

Front end developer with 8 years of experience in the software industry. Looking for a challenging position offering me an opportunity to invest all my potential. My skill sets in fluid responsive design, JavaScript, developing e-commerce website, mobile first sites and ADA will be the assets to the right organization.

PROFESSIONAL EXPERIENCE:

- Postgraduate in Engineering with experience being involved in web application management on Demandware (Salesforce B2C Commerce) platform.
- Excellent knowledge of HTML5, CSS3, SCSS, jQuery, Bootstrap and JavaScript.
- Basic knowledge on React and PWA kit
- Expert in ADA (Americans with Disabilities Act) accessibility rules using NVDA.
- Strong knowledge in Demandware foundational concepts of SFCC and SFRA.
- Create/Configure Content library/asset/slots/promotion/campaigns/site preferences in Demandware Business Manager.
- Good work experience on desktop browser (such as Firefox, Safari, Opera, Internet Explorer, and Chrome) and mobile (IOS/Android) compatibility issues.
- Familiar with git and Bitbucket code repository.
- Setup Eclipse and VS code with Demandware development environments and sandboxes.
- Design experience on Homepage, Search pages, Product detail page (PDP), Checkout and Static pages.
- Worked in Agile methodology and well versed with concepts like Scrums, Sprint and comfortable with industry standards like JIRA and bitbucket.
- Good knowledge on handling calls with clients and BA to get business requirements.
- Contribute to ensuring high quality of code by performing unit testing and following best practices.
- Ability to handle multiple tasks simultaneously, hold good analytical skills and a strong team player.
- Proficient in Adobe Photoshop, Zeplin and Invision tools.
